There was a regular Saturnalia of happenings Saturday night, and the Police Judge will not want for a nice juicy beefsteak for tomorrow's breakfast.

She had been afflicted for nearly five years with spinal meningitis. The funeral took place yesterday afternoon, with services by the Rev. J. S. Sims, and the interment was at Charter Oak Cemetery, Aberdeen.

The joint rally of the McKinley Clubs of Manchester and Island Creek, O., at the latter place Saturday night was a splendid success. Speeches were made by Messrs. Darnall and Foster of Manchester, Colonel John W. Hook of West Union and Thomas A. Davis of this city. A choir of handsome young ladies rendered patriotic music; and unless all indications fall Monroe Township will roll up a nice majority for McKinley and Protection to the American farmer and workman. They want neither Free-trade nor free coinage.

He first made an ineffectual attempt to get into the house of Richard Hoffman, and later he did break into the residence of Mr. George M. Clinger. His presence was discovered before he got anything. Mr. Clinger chasing him off.

The engagement is announced of Mr. Samuel Willis, a prominent young society gentleman of near Winchester, and Miss Nellie Turney, the lovely daughter of Captain Dan Turney of Paris. The wedding will occur the latter part of October and The Lexington Leader says that Mr. Willis should be one of the happiest of men, for he will obtain one of the brightest and sweetest young women in all the Bluegrass Region.

The Ninth District Republican Executive Committee has been called to meet at the Central Hotel in this city at 11:30 a. m. tomorrow, to nominate an Elector to fill the vacancy caused by the resignation of Robert Buckler of Robertson county, who is ineligible because he is County Attorney. Colonel James S. Huff of Carlisle is the Chairman, and the several County Chairmen of the District compose the Committee.

Ten thousand people visited Canton Saturday and Major McKinley delivered six speeches.

In the failure of the Cincinnati piano firm of Smith & Nixon first reports were to the effect that the concern was solvent by thousands of dollars, but now it is asserted that it will not pay 25 cents on the dollar.

Colonel James H. Davidson of Illinois is billed to deliver a Republican Sound Money speech at Greenup next Saturday. Arrangements are being made to run special trains, and a large crowd is expected.

Governor Bradley will speak at Mt. Vernon, Ill., tomorrow, at Springfield, Mo., Wednesday and at St. Louis Thursday, and will then fill a series of engagements yet to be announced by the National Committee. He will make a series of speeches in Ohio.

Mr. Cal Kennedy of Aberdeen is one of the victims of the light-fingered gentry. Saturday night he had \$33 and a fine gold watch stolen from his bedroom, not more than five feet from where he was sleeping. There is no clue to the robber.

Hon. William H. Cox, Grand Representative to the Sovereign Grand Lodge, I. O. O. F., which meets in Dallas, Tex., will leave for that city Wednesday to assume his position on several important committees. He will be accompanied by Mrs. Cox, and will be gone about three weeks.

Final forfeits have been placed for the twenty round go between Dave Flaherty of Huntington and Arthur Upham of Fronton. The fight will take place on the Ohio river above Ashland about October 1st, and the Maysville "sports" are arranging to be there. Both men are heavy-weights.

Citizens are warned to look after their valuables tomorrow and tomorrow night. Don't wear your jewelry in the crowds, and be sure that your houses are not left open. There promises to be an unprecedented crowd in the city; and a crowd is always the harvest-field of the pickpocket and an incentive to the enterprising burglar.

Without any authority whatever the Cincinnati papers continue advertising a "Barbecue" here on the occasion of Mr. Bryan's visit. A Kentucky Barbecue means something. The local managers have never contemplated any such thing; and those of our guests who expect a free feast will go away disappointed, but by no fault of our local Democratic managers or the people of Maysville.

Saturday night Hon. John P. McCartney of Flemingsburg addressed one of the largest crowds that ever assembled in the Courthouse. The McKinley Clubs of the city headed by the Maysville Band, had a parade that was an exceedingly creditable showing, and Mr. McCartney made a telling argument for Sound Money and Protection and his speech was received with great applause.

Mr. Frank Dieterich favors THE LEDGER with a sample of Bread Fruit—the identical article of which the Bible speaks. It was grown at the Dieterich Nurseries in this city, and this is the first time in about ten years that the tree has borne. The fruit is exceedingly rich and has a pineapple-banana flavor. It grows very much in the shape of an ear of corn with the husk removed, and has a covering of small sections about the size of a finger nail.

KILLED AT VANCEBURG.

The Mangled Remains of David Rogers Discovered Yesterday.

Early yesterday morning the mangled remains of David Rogers were found on the C. and O. track at Vanceburg.

Rogers had been drinking Saturday night, and it is supposed, like a drunken man generally does, he sought the railway track for a snooze, and that a freight train had run over him.

Deceased was married but had no children.

Speaker Reed will decide whether or not Bryan may speak from the Capitol steps.

Bourke Cockran spoke Saturday to two immense audiences at Chicago. There were 40,000 applications for tickets to the Auditorium.

ANOTHER CUTTING.

Jinks Stockdale Charged With Carving James Hunt.

Another!

And there are others!

About 2 o'clock Sunday morning Jinks Stockdale and James Hunt got into a wrangle at Second and Short streets.

When Stockdale is said to have cut Hunt with a knife.

The wounds consist of a long gash in the side, a rip across the arm and a stab in the same member.

Both parties had been looking upon the wine when it was red headed.

Hunt's wounds are not considered dangerous.

SOME OF THE FINEST.

Extra Policemen Who Will Help Preserve Order Tomorrow.

In anticipation of the great throng that will be in the city tomorrow, Chief Ort, "by and with the advice and consent of the Mayor," has appointed the following extra Policemen:

Phillip Fist, R. P. Thompson, William A. Tolle, J. W. Cunningham, Wilson Miller, Thomas Proctor, William Shepard, G. W. Barker, C. C. Bradley, Waldo Hamilton, William Evans, William H. Davis.

In addition to these, Chief Ort went this morning to Cincinnati to confer with Chief Deitch of that city and secure the services of a couple of the best Detectives.

SLASHED SALLIE SCOTT.

Mollie Yates Uses a Knife With Very Bloody Results.

Well,

Wasn't there yelling!

The entire neighborhood surrounding the intersection of Second street and Grave alley was aroused about 8 o'clock Saturday evening by a series of ear-splitting yells that would have made a Comanche Indian green with envy.

Mollie Yates and Sallie Scott had mutually grown jealous, and they had met in battle array.

The war of words soon resolved into more practical hostilities, and during the engagement a sixteen-year-old daughter of Sallie's broke into the fight.

Some say she only withdrew after receiving a bloody nose and a cut on the head.

But when Officer Bland arrived, attracted by the piercing yells of the beligerents, and succeeded in separating the parties, it was found that Sallie Scott had received a frightful gash across the face, inflicted by a sharp instrument.

Her injury, however, is not dangerous. A hearing was set in the Police Court for 9 o'clock this morning.

CONVEYING THE CANDIDATE.

Transfer of Mr. Bryan From the Station to the Stand.

Mr. Bryan will reach this city by the L. and N. about 7 o'clock tomorrow evening.

The present arrangement is to convey him and his party to the stand in carriages.

There will be an almost impenetrable mass of people along the route and about the stand.

It is highly dangerous to drive horses through a crowd, for if they become unruly some one will be hurt.

THE LEDGER does hope that the reception and entertainment of our distinguished visitor will not be attended by casualty of any sort, and it therefore offers this suggestion:

Have enough motor cars at the Station to convey the party to the stand;

Let them proceed slowly;

People can press back from them by pushing against them with their hands;

They will not "rear up" and descend on some poor fellow;

And when the stand is reached Mr. Bryan and his party can step from the car to the platform.

Better this than accident.

Our Watch Hospital

is always open. A watch must keep time as a train must keep the track. If your watch don't keep time bring it here and we will make it right to smallest part of a second. When a watch leaves our hospital to renew its duel with Time its seconds must be reliable, and we make them so in every case. When a watch runs even with time it's ahead. Ours are;—so are our Clocks and entire stock of Jewelry, Silverware, &c.,—ahead of competition.

TWO GAMES TOMORROW.

The Maysvilles and Chester Parks of Cincinnati.

The Maysvilles will have for their opponents tomorrow morning and afternoon the Chester Parks of Cincinnati.

This is a strong team, to which Johnny Heileman and Sammy Lever, both old Maysville players, belong.

Sammy will probably pitch the afternoon game.

The Lexington and Frankfort teams played a ten-inning game Thursday, resulting in a score of 6 to 6, and had to be drawn on account of darkness.

Johnny Heileman may well be styled the "Globe Trotter." He is now playing with the Portsmouth Hobos.

It is said that whenever anyone starts whistling "She May Have Seen Better Days" within earshot of any of the Cincinnati team the police have to interfere to prevent a homicide.

PUBLIC SPEAKING.

Appointments For Republican Meetings During the Coming Week.

Thomas A. Davis will speak as follows: Sardis, Saturday night, September 19th.

Judge M. C. Hutchins will speak at Bridgeville, Bracken county, Monday night, when a McKinley and Hobart Club will be organized.

WILL SUCCEED THIS TIME.

Another Soldiers Home Will Probably Be Built in Kentucky.

Some years ago the G. A. R. and a number of patriotic citizens subscribed toward the founding of a Soldiers Home in Kentucky.

A large fund was raised and the Home started near Louisville, the late General Speed S. Fry being Manager.

In a short time the funds gave out and the enterprise collapsed.

It is now highly probable, however, that a Soldiers Home will be erected near Hodgenville, on the farm where President Lincoln first saw the light of day, and that it will be a success.

Congressman Lewis introduced a bill in the last Congress providing for an appropriation to build the Home, but the act is still in the hands of the Committee.

During the recent National Encampment at St. Paul, the G. A. R., through the efforts of General E. H. Hobson, the well known "two-war" veteran of this state, passed a resolution instructing every Grand Army Post in the United States to use its influence with their District Congressmen to have the bill passed.

DIED AT WEST UNION, O.

A Former Maysville Lady Passed Away Last Wednesday.

Mrs. Nannie Lockhart Calvert, aged about 55 years, died last Wednesday morning of typhoid fever at her home in West Union, O.

She was the wife of Mr. Isaac Calvert, formerly of this city, he with his family having moved to West Union from this city last February.

Mrs. Calvert, while in this city, with her smiling face and cheerful disposition, won the hearts of many, who will be pained to learn of her death.

She leaves a husband and two daughters—Misses Lucile and Carolyn,—both of whom are grown.

Her remains were interred at West Union Thursday.

Sent It to His Mother in Germany.

Mr. Jacob Esbensen, who is in the employ of the Chicago Lumber Co. at Des Moines, Iowa, says: "I have just sent some medicine back to my mother in the old country, that I know from personal use to be the best medicine in the world for rheumatism, having used it in my family for several years. It is called Chamberlain's Pain Balm. It always does the work." 50 cent bottles for sale by J. James Wood, Druggist.

A SLIGHT DISCREPANCY

Between a Free Silver Reporter and a Conservative Merchant.

The following letter, received from Mr. S. I. Dodd, a prominent merchant of Burtonville, shows quite a difference in the attendance at the Popocratic meeting at that place from that sent out in Cincinnati papers. The report stated that there were 700 present, to which Mr. Dodd respectfully dissents. However, here is the letter:

BURTONVILLE, LEWIS COUNTY, KY.,

September 11th, 1896.
Editor Ledger: Last night, after an extensive advertisement by handbills, the silver Demopopulists collected about 150 voters at this place. They were addressed by Mr. Joe A. Parker of Louisville, who said his little piece. Some blistered their hands, some their consciences and went home. So much for Burtonville.
S. I. DODD

When any part of the body isn't doing the work that nature intended it to do, it puts the whole system out of tune—out of harmony. Stickness in one part of the body is likely to run into all parts of the body. When children stand a row of bricks on end, they knock the whole row down by upsetting one brick. That is exactly what happens to the health when the bowels fail to perform their proper function. Constipation makes trouble all along the line—puts the liver out of order, it bad for the kidneys—bad for the stomach. It holds in the body poisonous matter, and because it cannot go any place else, it gets into the blood. The blood carries it all over the system. That makes sluggishness, lassitude, bad breath and foul taste in the mouth, fills the stomach with gas and causes windy belching, stops digestion in the stomach, causes sour stomach, heartburn and headache. You can avoid all such trouble, for Dr. Pierce's Pleasant Pellets cures constipation and its attendant evils.

Send 2 cents in one-cent stamps to Dr. W. C. Pierce, Buffalo, N. Y., for his "Medical Advisor." It is a book of 100 pages, profusely illustrated.
